(6) Stipulation of facts. By a stipulation in writing, filed with the secretary, the parties to any proceeding or investigation by the commission may agree upon the facts or any portion of the facts involved in the controversy, which stipulation shall be regarded and used as evidence at the hearing.

(7) Testimony. All testimony given before the commission will be given under oath or affirmation.

(8) Objections and exceptions. When objections are made to the admission or exclusion of evidence before the commission, the grounds relied upon shall be stated briefly. Formal exceptions are unnecessary and will not be taken to rulings therein.

(9) Transcript of evidence. The commission will cause to be made a stenographic record of all public hearings, and such copies of the transcript thereof as it requires for its own purposes. Participants desiring copies of such transcripts may obtain the same from the official reporter upon payment of the fees fixed therefor.

(10) Briefs and petitions for rehearing. All briefs and petitions for rehearing in any proceeding must be accompanied with notice, showing service upon all other parties or their attorneys, and, in addition to the filed original, ten (10) copies of each such document shall be furnished for the use of the commission.

(11) Filing of briefs. All briefs must be filed within the time fixed, and the commission may refuse to consider any brief filed thereafter. Applications for extensions of time to file briefs must be made to the commission in writing.

(12) Form of briefs. All briefs filed with the commission shall be in the form prescribed by the commission.

Section 5. Documentary Evidence. (1) If documentary evidence is offered, the commission, in lieu of requiring the originals to be filed may, in its discretion, accept certified, or otherwise authenticated, copies of such documents or such portions of the same as may be relevant, or may require such evidence to be transcribed as a part of the record.

(2) Where relevant and material matter offered in evidence by any party is embraced in a book, paper or document containing other matter not material or relevant the party must plainly designate the matter so offered. If such immaterial matter unnecessarily encumbers the record, such book, paper or document will not be received in evidence, but may be worded for identification, and if properly authenticated, the relevant and material matter may be read into the record, or if the commission, or commissioner conducting the hearing, so directs, a true copy of such matter in proper form shall be received as an exhibit, and like copies delivered by the parties offering same to opposing parties, or their attorneys, appearing at the hearing, who shall be offered opportunity to examine such book, paper or document, and to offer evidence in like manner other portions thereof if found to be material and relevant.

(3) Whenever practicable the sheets of each exhibit and the lines of each sheet shall be numbered and if the exhibit consists of two (2) or more sheets, the first sheet or title

page shall contain a brief statement of what the exhibit purports to show, with reference by sheet and line to illustrative or typical examples contained in the exhibit. Wherever practicable, rate comparisons and other such evidence shall be condensed into tables.

(4) Except as may be expressly permitted in particular instances, the commission will not receive in evidence or consider as a part of the record any book, paper or other document for consideration in connection with the proceeding after the close of the testimony.

(5) Upon motion of any party to a proceeding, any case in the commission's files or any document on file with the commission, at the discretion of the commission may be made a part of the record by "reference only." By reference only, the case or document made a part of the record will not be physically incorporated into the record. Upon action in the Franklin Circuit Court, excerpts from any case or part only of any document may be made, at the instance of any party, a part of the record before such court.

Section 6. Financial Exhibit. Whenever in these rules it is provided that a financial exhibit shall be annexed to the application, the said exhibit shall cover operations for a twelve (12) month period, said period ending not more than ninety (90) days prior to the date the application is filed. (3) Articles of incorporation. If the applicant is a corporation, a certified copy of its articles of incorporation, and all amendments thereto, if any, shall be annexed to the application. If applicant's articles of incorporation and amendments thereto, if any, have already been filed with the commission in some prior proceeding, it will be sufficient if this fact is stated in the application and reference is made to the style and case number of the prior proceeding.

Section 8. Applications for Certificates of Public Convenience and Necessity. (1) Application to bid on a franchise pursuant to KRS 278.020(3). Upon application to the commission by the utility for a certificate of convenience and necessity authorizing applicant to bid on a franchise, license or permit offered by any governmental agency, the applicant shall submit with its application, the following:

(4) Renewal applications. Insofar as procedure is concerned, applications for a renewal of a certificate of convenience and necessity will be treated as an original application.

Section 9. Application or Notice for Authority to Adjust Rates. (1) When the utility seeks to adjust any rate, toll, charge, or rental, so as to alter any classification, contract, practice, rule or regulation as to result in any change in any rate, toll, charge, or rental, the applicant, in addition to complying with the provisions of Section 7, shall submit the following data either in the application or attached thereto as exhibits:

original cost of the same and the cost to the applicant, if it is impossible to state the original cost, the facts creating such impossibility shall be stated.

(c) The use to be made of the proceeds of the issue of such securities, notes, bonds, stocks or other evidence of indebtedness with a statement indicating how much is to be used for the acquisition of property, the construction, completion, extension or improvement of facilities, the improvement of service, the maintenance of service and the discharge or refunding of obligations.

(d) The property in detail which is to be acquired, constructed, improved or extended with its cost, a detailed description of the contemplated construction, completion, extension or improvement of facilities set forth in such a manner that an estimate of cost may be made, a statement of the character of the improvement of service proposed, and of the reasons why the service should be maintained from its capital. (e) If it is proposed to discharge or refund obligations, a statement of the nature and description of such obligations including their par value, the amount for which they were actually sold, the expenses associated therewith, and the application of the proceeds from such sales. If notes are to be refunded, the petition must show the date, amount, time, rate of interest, and payee of each and the purpose for which their proceeds were expended.

(f) Such other facts as may be pertinent to the application.

(2) The following exhibits must be filed with the application:

Estimates must be arranged according to the uniform system of accounts prescribed by the commission for the various classes of utilities.

Section 11. Formal Complaints. (1) Contents of complaint. Each complaint shall be headed "Before the Utility Regulatory Commission," shall set out the names of the complainant and the name of the defendant, and shall state:

(a) The full name and post office address of the complainant;

(b) The full name and post office address of the defendant;

(c) Fully, clearly, and with reasonable certainty, the act or thing done or omitted to be done, of which complaint is made, with a reference, where practicable, to the law, order, or section, and subsections, of which a violation is claimed, and such other matters, or facts, if any, as may be necessary to acquaint the commission fully with the details of the alleged violation. The complainant shall set forth definitely the exact relief which is desired. (See Section 14(1).)

(2) Signature. The complaint shall be signed by the complainant or his attorney, if any, and if signed by such attorney, shall show his post office address. Complaints by corporations or associations, or any other organization having the right to file a complaint, must be signed by its attorney and show his post office address. No oral or unsigned complaints will be entertained or acted upon by the commission.

(3) Number of copies required. At the time the complainant files his original complaint, he must also file copies thereof equal in number to ten (10) more than the number of persons or corporations to be served.

(4) Procedure on filing of complaint:

(a) Upon the filing of such complaint, the commission will immediately examine the same to ascertain whether it establishes a prima facie case and conforms to this regulation. If the commission is of the opinion that the complaint does not establish a prima facie case or does not conform to this regulation, it will notify the complainant or his attorney to that effect, and opportunity may be given to amend the complaint within a specified time. If the complaint is not so amended within such time or such extension thereof as the commission, for good cause shown, may grant, it will be dismissed.

(b) If the commission is of the opinion that such complaint, either as originally filed or as amended, does establish a prima facie case and conforms to this regulation, the commission will serve an order upon such corporations or persons complained of under the hand of its secretary and attested by its seal, accompanied by a copy of said complaint, directed to such corporation or person and requiring that the matter complained of be satisfied, or that the complaint be answered in writing within ten (10) days from the date of service of such order, provided that the commission may, in particular cases, require the answer to be filed within a shorter time.

(5) Satisfaction of the complaint. If the defendant desires to satisfy the complaint, he shall submit to the commission, within the time allowed for satisfaction or answer, a statement of the relief which he is willing to give. Upon the acceptance of this offer by the complainant and the approval of the commission, no further proceedings need be taken.

(6) Answer to complaint. If satisfaction be not made as aforesaid, the corporation or person complained of must file an answer to the complaint, with certificate of service on other parties endorsed thereon, within the time specified in the order or such extension thereof as the commission, for good cause shown, may grant. The answer must contain a specific denial of such material allegations of the complaint as controverted by the defendant and also a statement of any new matter constituting a defense. If the answering party has no information or belief upon the subject sufficient to enable him to answer an allegation of the complaint, he may so state in his answer and place his denial upon that ground. (See Section 14(2).)
